SS | THAILAND | 560

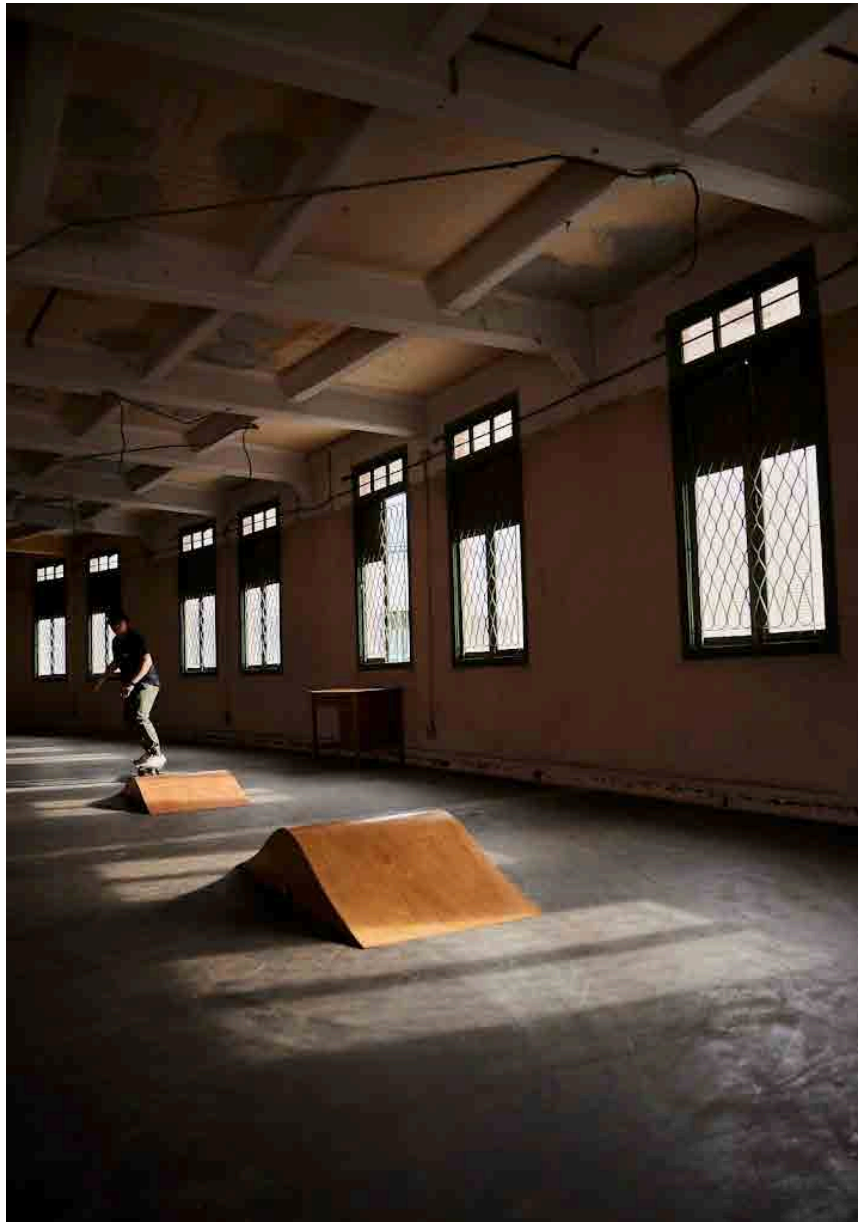

The image shows the interior of a large, modern skatepark. The space is characterized by its industrial aesthetic, featuring exposed wooden beams on the ceiling and light-colored wooden floors. Track lighting is installed along the ceiling, providing bright illumination. In the background, several windows with decorative metal grilles are visible. The foreground and middle ground are filled with various wooden skate ramps and obstacles, including a large quarter pipe on the left and a smaller ramp on the right. The overall atmosphere is clean and contemporary, contrasting with the traditional image of a barn.

NOT YOUR TYPICAL BARN RAMPS
